Program and Dates:

Prime Software Engineering Academy

Prework begins June 1, 2015

PreLoad is delivered through six weeks of part-time, online training. A one hour instructor-led online session is held during each week of PreLoad. This phase of the program is estimated to take a minimum of 60 hours (10+ hrs/wk), including tutorials, guided study, and online meetings.

Classroom begins July 13, 2015

The classroom phase of the program is estimated to take at least 55 days, representing at least 480 class hours over 12 weeks. Classroom hours are 8am-5pm, with optional software developer speaker events occurring periodically in the evenings. Student study and out-of-classroom project work is anticipated at an additional 20-30 hours per week.

Graduation on Oct 2, 2015

Tuition: $12,500 is the total cost of the program. Students are required to provide their own computer hardware. In order to provide a consistent experience for students The Academy has standardized on Apple laptops running OSX Yosemite.

Please review the following student financial protection information:

This agreement is a legally binding instrument, as of the date of signature below, upon written acceptance by the student unless cancelled pursuant to the Buyers Right to Cancel.
